Troy Price, Chair
Kevin Geiken, Executive Director
Iowa Democratic Party
5661 Fleur Drive
Des Moines, IA 50321

Mr. Price and Mr. Geiken:

I write on behalf of the Biden for President Campaign regarding the considerable flaws in tonight's Iowa Caucus reporting system. The app that was intended to relay Caucus results to the Party failed; the Party's back-up telephonic reporting system likewise has failed. Now, we understand that Caucus Chairs are attempting to — and, in many cases, failing to — report results telephonically to the Party. These acute failures are occurring statewide.

We appreciate that you plan to brief the campaigns momentarily on these issues, and we plan to participate. However, we believe that the campaigns deserve full explanations and relevant information regarding the methods of quality control you are employing, and an opportunity to respond, before any official results are released. We look forward to hearing from you promptly.

In the meantime, we are on to New Hampshire, on the road to the most important election of our lifetimes.

Thank you,

Dana Remus
General Counsel
Biden for President
