Re: Termination of Services Agreement

Dear Ms. Kopp,

I am writing to notify you of our intent to terminate our Services Agreement ("SA") dated August 15, 2018, effective September 30, 2020, pursuant to Article 4.4 *Early Termination Without Cause*, which requires 180 days' notice or in the alternative thirty (30) days' notice to terminate if mutually agreed upon by both parties. System Management Group ("SMG") and National University Academy 1001 STEAM ("1001 STEAM") entered into said SA in order to preserve the continuation of services previously provided as a part of 1001 STEAM's program participation in the National University Academy. We have determined that the SA no longer serves our strategic goals and, 1001 STEAM is currently in a position to pursue a more strategically-aligned relationship with a new service provider.

SMG intends to provide services throughout the academic year as long as the SA remains in effect, but would like to terminate this agreement no later than September 30, 2020. SMG will, of course, be available to help transition 1001 STEAM to a new service provider up to the termination date, once 1001 STEAM has identified a replacement.

During this time, we anticipate that 1001 STEAM will continue to pay its invoices for services provided in a timely manner.

Lastly, because 1001 STEAM is no longer affiliated with SMG or the National University System, we believe it prudent for 1001 STEAM to change the name of its corporation to omit any reference to National University. Please confirm that 1001 STEAM will make this change prior to the termination of the SA.

Please let me know if you have any questions.

Sincerely,
