SECTION 3 REQUIREMENT: This project is subject to Section 3 of the Housing and Urban Development Act of 1968 to ensure that employment and other economic development opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, be directed to low- and very low-income persons. Federal regulations set numerical goals for meeting the "greatest extent feasible" requirement for recipients of Section 3 covered community development assistance, contractors and subcontractors.

Contract Goals: 10% of total dollar amounts of all Section 3 covered contracts for building trades work arising in connection with housing rehabilitation, housing construction or other public construction.

Section 3 covered contracts do not include contracts for the purchase of supplies and materials, however, contracting with Section 3 Business Concerns for supplies and materials is encouraged. HUD recommends a recipient try to meet both employment and business concern contracting goals.

The recipient (or contractor/subcontractor if applicable) will have the burden of demonstrating why it was not feasible to meet the numerical goals set forth by HUD. Justification should include impediments encountered despite actions taken.

NON-DISCRIMINATION: The bidding process and contract are subject to State and Federal non-discrimination requirements, including but not limited to the requirement that no contractor or sub-contractor shall discriminate in employment decisions on the basis of race, color, religion, sex, sexual orientation, gender identity, or national origin.
