

## Late May 2022 Berkeley IGS Poll — LA City Voters

Table 1: Q14(1) Do you approve or disapprove of the job that each of the following local officials or groups are doing? — George Gascón, Los Angeles District Attorney (LA City Registered Voters)

Total	
Unweighted n	1204.00
Approve	0.18
Disapprove	0.40
No opinion	0.42

Table 2: Q14(2) Do you approve or disapprove of the job that each of the following local officials or groups are doing? — Alex Villanueva, Los Angeles County Sheriff (LA City Registered Voters)

Total	
Unweighted n	1204.00
Approve	0.23
Disapprove	0.45
No opinion	0.32

Table 3: Q14(3) Do you approve or disapprove of the job that each of the following local officials or groups are doing? — Michel Moore, Los Angeles Chief of Police (LA City Registered Voters)

Total	
Unweighted n	1204.0
Approve	0.2
Disapprove	0.3
No opinion	0.5

Table 4: Q14(4) Do you approve or disapprove of the job that each of the following local officials or groups are doing? — The Los Angeles Police Department (LA City Registered Voters)

	Total
Unweighted n	1204.00
Approve	0.30
Disapprove	0.38
No opinion	0.32

Table 5: Q14(1) Do you approve or disapprove of the job that each of the following local officials or groups are doing? — George Gascón, Los Angeles District Attorney (LA City Likely Voters)

	Total
Unweighted n	816.00
Approve	0.21
Disapprove	0.51
No opinion	0.28

Table 6: Q14(2) Do you approve or disapprove of the job that each of the following local officials or groups are doing? — Alex Villanueva, Los Angeles County Sheriff (LA City Likely Voters)

	Total
Unweighted n	816.00
Approve	0.24
Disapprove	0.56
No opinion	0.19

Table 7: Q14(3) Do you approve or disapprove of the job that each of the following local officials or groups are doing? — Michel Moore, Los Angeles Chief of Police (LA City Likely Voters)

	Total
Unweighted n	816.00
Approve	0.25
Disapprove	0.32
No opinion	0.44

Table 8: Q14(4) Do you approve or disapprove of the job that each of the following local officials or groups are doing? — The Los Angeles Police Department (LA City Likely Voters)

	Total
Unweighted n	816.00
Approve	0.32
Disapprove	0.41
No opinion	0.27

Table 9: Q21 Over the past two years, do you think the overall amount of crime in California has increased, stayed the same or decreased? (LA City Registered Voters, Subsample A)

	Total
Unweighted n	591.00
Increased (net)	0.65
Increased a lot	0.40
Increased somewhat	0.25
Stayed about the same	0.18
Decreased (net)	0.02
Decreased somewhat	0.02
Decreased a lot	0.00
Not sure	0.15

Table 10: Q21 Over the past two years, do you think the overall amount of crime in California has increased, stayed the same or decreased? (LA City Likely Voters, Subsample A)

	Total
Unweighted n	401.00
Increased (net)	0.76
Increased a lot	0.44
Increased somewhat	0.32
Stayed about the same	0.16
Decreased (net)	0.02
Decreased somewhat	0.01
Decreased a lot	0.00
Not sure	0.06

Table 11: Q22 How about your immediate neighborhood? Over the past two years, do you think the overall amount of crime in your immediate neighborhood has increased, stayed the same or decreased? (LA City Registered Voters, Subsample A)

	Total
Unweighted n	591.00
Increased (net)	0.55
Increased a lot	0.25
Increased somewhat	0.30
Stayed about the same	0.26
Decreased (net)	0.07
Decreased somewhat	0.05
Decreased a lot	0.02
Not sure	0.12

Table 12: Q22 How about your immediate neighborhood? Over the past two years, do you think the overall amount of crime in your immediate neighborhood has increased, stayed the same or decreased? (LA City Likely Voters, Subsample A)

	Total
Unweighted n	401.00
Increased (net)	0.57
Increased a lot	0.28
Increased somewhat	0.29
Stayed about the same	0.33
Decreased (net)	0.04
Decreased somewhat	0.03
Decreased a lot	0.01
Not sure	0.06

Table 13: Q23 When it comes to the threat of crime, do you feel safer in your community than you did four years ago, less safe, or about as safe in your community than you did four years ago? (LA City Registered Voters, Subsample A)

	Total
Unweighted n	591.00
Safer	0.05
About as safe	0.50
Less safe	0.44
Refused	0.01

Table 14: Q23 When it comes to the threat of crime, do you feel safer in your community than you did four years ago, less safe, or about as safe in your community than you did four years ago? (LA City Likely Voters, Subsample A)

	Total
Unweighted n	401.00
Safer	0.09
About as safe	0.43
Less safe	0.48
Refused	0.00

Table 15: Q24 How would you rate the responsiveness of the local police and law enforcement to reports of crime in your community? (LA City Registered Voters, Subsample A)

	Total
Unweighted n	591.00
Responsive (net)	0.47
Very responsive	0.09
Somewhat responsive	0.37
Unresponsive (net)	0.31
Somewhat unresponsive	0.14
Very unresponsive	0.17
No opinion	0.22

Table 16: Q24 How would you rate the responsiveness of the local police and law enforcement to reports of crime in your community? (LA City Likely Voters, Subsample A)

	Total
Unweighted n	401.00
Responsive (net)	0.51
Very responsive	0.14
Somewhat responsive	0.37
Unresponsive (net)	0.31
Somewhat unresponsive	0.16
Very unresponsive	0.14
No opinion	0.19

Table 17: Q25 When describing your overall feelings about the local police in your community, would you say they make you feel mostly safe or mostly anxious? (LA City Registered Voters, Subsample A)

	Total
Unweighted n	591.00
Mostly safe	0.41
Mostly anxious	0.36
No opinion	0.23

Table 18: Q25 When describing your overall feelings about the local police in your community, would you say they make you feel mostly safe or mostly anxious? (LA City Likely Voters, Subsample A)

	Total
Unweighted n	401.00
Mostly safe	0.49
Mostly anxious	0.29
No opinion	0.22

Table 19: Q26 What should the next mayor of Los Angeles do with regard to the number of officers in the Los Angeles Police Department? (LA City Registered Voters, Subsample A)

	Total
Unweighted n	591.00
Increase (net)	0.47
Increase the size of the police force a lot	0.26
Increase the size of the police force some	0.21
Keep at about current levels	0.17
Decrease (net)	0.15
Decrease the size of the police force some	0.07
Decrease the size of the police force a lot	0.09
No opinion	0.20

Table 20: Q26 What should the next mayor of Los Angeles do with regard to the number of officers in the Los Angeles Police Department? (LA City Likely Voters, Subsample A)

	Total
Unweighted n	401.00
Increase (net)	0.56
Increase the size of the police force a lot	0.27
Increase the size of the police force some	0.29
Keep at about current levels	0.15
Decrease (net)	0.17
Decrease the size of the police force some	0.09
Decrease the size of the police force a lot	0.08
No opinion	0.12

Table 21: Q27 If Los Angeles were to reduce the amount of funding it allocates to the police and instead transferred more money to fund social services, in your opinion would the city be better off or worse off? (LA City Registered Voters, Subsample A)

	Total
Unweighted n	591.00
Better off (net)	0.49
Much better off	0.24
Somewhat better off	0.24
No significant change	0.05
Worse off (net)	0.33
Somewhat worse off	0.10
Much worse off	0.22
Don't know	0.13

Table 22: Q27 If Los Angeles were to reduce the amount of funding it allocates to the police and instead transferred more money to fund social services, in your opinion would the city be better off or worse off? (LA City Likely Voters, Subsample A)

	Total
Unweighted n	401.00
Better off (net)	0.47
Much better off	0.25
Somewhat better off	0.22
No significant change	0.04
Worse off (net)	0.39
Somewhat worse off	0.14
Much worse off	0.25
Don't know	0.10

Table 23: Q28 Generally speaking, do you think the Los Angeles police department is tougher on Black residents, tougher on Latino residents, tougher on Asian residents, tougher on white residents, or do you think the police treat all groups the same way? (LA City Registered Voters, Subsample A)

	Total
Unweighted n	591.00
Tougher on Black residents	0.54
Tougher on Latino residents	0.24
Tougher on Asian residents	0.04
Tougher on white residents	0.01
Treat all groups the same way	0.15
Don't know	0.24

Table 24: Q28 Generally speaking, do you think the Los Angeles police department is tougher on Black residents, tougher on Latino residents, tougher on Asian residents, tougher on white residents, or do you think the police treat all groups the same way? (LA City Likely Voters, Subsample A)

	Total
Unweighted n	401.00
Tougher on Black residents	0.63
Tougher on Latino residents	0.26
Tougher on Asian residents	0.06
Tougher on white residents	0.00
Treat all groups the same way	0.20
Don't know	0.15

Table 25: Q29 When officers of the LAPD are reported to have acted in ways that violate the rights of residents because of their race or ethnic background, do you think this is more the result of the actions and beliefs of individual police officers or more the result of policies and practices that have been built into the LAPD? (LA City Registered Voters, Subsample A)

	Total
Unweighted n	591.00
Actions and beliefs of individual police officers	0.34
Policies and practices built into the LAPD over the years	0.47
No opinion	0.18

Table 26: Q29 When officers of the LAPD are reported to have acted in ways that violate the rights of residents because of their race or ethnic background, do you think this is more the result of the actions and beliefs of individual police officers or more the result of policies and practices that have been built into the LAPD? (LA City Likely Voters, Subsample A)

	Total
Unweighted n	401.00
Actions and beliefs of individual police officers	0.42
Policies and practices built into the LAPD over the years	0.48
No opinion	0.10

Table 27: Q30 The Los Angeles Police Commission recently adopted a new rule limiting what the police can do when making a routine traffic stop. Under the new rule, police cannot stop a driver or cyclist for a minor infraction, such as a broken taillight, as an excuse to investigate that person for a more serious crime unless the violation significantly interferes with public safety or if the police have prior information about the suspect that justifies the stop. In your opinion, does the new rule go too far in constraining the police, doesn't go far enough in protecting the rights of residents, or strikes about the right balance? (LA City Registered Voters, Subsample A)

	Total
Unweighted n	591.00
Goes too far in constraining the police	0.15
Doesn't go far enough in protecting the rights of residents	0.24
Strikes about the right balance	0.41
No opinion	0.20

Table 28: Q30 The Los Angeles Police Commission recently adopted a new rule limiting what the police can do when making a routine traffic stop. Under the new rule, police cannot stop a driver or cyclist for a minor infraction, such as a broken taillight, as an excuse to investigate that person for a more serious crime unless the violation significantly interferes with public safety or if the police have prior information about the suspect that justifies the stop. In your opinion, does the new rule go too far in constraining the police, doesn't go far enough in protecting the rights of residents, or strikes about the right balance? (LA City Likely Voters, Subsample A)

	Total
Unweighted n	401.00
Goes too far in constraining the police	0.18
Doesn't go far enough in protecting the rights of residents	0.22
Strikes about the right balance	0.48
No opinion	0.12

Table 29: Q31 Thinking about the last couple years, do you think the issue of homelessness in California has become gotten better, worse or stayed about the same? (LA City Registered Voters, Subsample B)

	Total
Unweighted n	613.00
Gotten better	0.03
Gotten worse	0.89
Stayed about the same	0.06
Not sure	0.02

Table 30: Q31 Thinking about the last couple years, do you think the issue of homelessness in California has become gotten better, worse or stayed about the same? (LA City Likely Voters, Subsample B)

	Total
Unweighted n	415.00
Gotten better	0.04
Gotten worse	0.89
Stayed about the same	0.06
Not sure	0.01

Table 31: Q34 Which of the following do you think is the primary cause of homelessness? (LA City Registered Voters, Subsample B)

	Total
Unweighted n	613.00
A person's individual actions and decisions	0.07
Failure to provide access to healthcare for mental and physical illness	0.07
Lack of affordable housing and wages that aren't keeping up with the cost of living	0.20
All of the above	0.64
No opinion	0.02

Table 32: Q34 Which of the following do you think is the primary cause of homelessness? (LA City Likely Voters, Subsample B)

	Total
Unweighted n	415.00
A person's individual actions and decisions	0.08
Failure to provide access to healthcare for mental and physical illness	0.08
Lack of affordable housing and wages that aren't keeping up with the cost of living	0.15
All of the above	0.69
No opinion	0.01

Table 33: Q35 Which of the following best describes how you feel California has dealt with the homeless? (LA City Registered Voters, Subsample B)

	Total
Unweighted n	613.00
It has not done enough to uphold the rights of the homeless	0.33
It has gone too far in upholding the rights of the homeless at the expense of local residents	0.39
It is striking about the right balance in upholding the rights of the homeless and those of local residents	0.12
No opinion	0.15

Table 34: Q35 Which of the following best describes how you feel California has dealt with the homeless? (LA City Likely Voters, Subsample B)

	Total
Unweighted n	415.00
It has not done enough to uphold the rights of the homeless	0.31
It has gone too far in upholding the rights of the homeless at the expense of local residents	0.41
It is striking about the right balance in upholding the rights of the homeless and those of local residents	0.14
No opinion	0.14
