

New Student Referral Incentive Program

Many of our families initially hear about Inspire Charter Schools (ICS) through a personal contact that is already attending our school. We are introducing a ***New Student Referral Incentive Program*** as a way to encourage current ICS families to reach out to their circles of family and friends to share about our school.

Program Guidelines:

- The New Student Referral Incentive Program is open to all parents and legal guardians of currently enrolled ICS students.
 - The referral program awards a current ICS family with a \$200 allowance credit for each new K-12th grade student that enrolls in our school and attends for at least twenty school days.
 - The referred family must be new to ICS, not a current/returning family.
 - The referred family will need to identify the ICS family that referred them during enrollment process.
 - The \$200 allowance credit will be added to the referring family's allowance account within twenty school days of the new family's first day of school.
 - A multi-student family will decide how they would like their additional allowance divided amongst each of their students. For example, one student in the family can receive the entire benefit or it can be split between students as the family sees fit.
 - Reminder: All allowance funds carry over to future school years, so long as the student is enrolled at ICS.
- 

Inspire Charter Schools New Student Referral

To let us know that you helped a new family make the choice to enroll in Inspire, please fill out Section 1. This will ensure that you get credit for the referral. You will be contacted about your referral benefit after the new student has enrolled.

If you know a family that would like our school to contact them, please fill out both Sections 1 & 2. The referral will be noted and should the new family enroll, we will contact you regarding your referral benefit.

SECTION 1:

Your Name: _____

Your Student's Name: _____

New Possible Student(s): _____

SECTION 2:

Please provide the following information for the family that would like a school representative to contact them.

Parent/Guardian's Name: _____

Contact Number: _____

Email: _____

Please submit the completed referral paper via mail, fax, or email:
