Meet and Greet with Mike Feuer

In nearly 30 years of service to Angelenos, L.A. Mayoral Candidate and current City Attorney Mike Feuer has taken on Big Banks, Big Polluters, and the NRA--and won. Now he's running for Mayor to **tackle homelessness, restore our economy, make our neighborhoods safer and our city more equitable.** Mike believes communities know their needs best, so he's coming to yours to hear what matters most to YOU!
